At Café' Chili Peppers, Fresh Mexican Grill, we like it HOT! But we also like it mild or medium. We make it how you like it. We are thrilled to introduce our HOT Mexican Grill to the Twin Cities. With over 80 years of experience, the owners of Café Chili Peppers have created a unique concept from their passion for fresh flavorful Mexican cuisine.

Café Chili Peppers recipes are inspired from traditional flavors throughout Mexico. This includes fresh ingredients like Ripe Haas Avocados, Juice from Fresh Squeezed Limes, Roasted Tomatillos, Garden Fresh Tomatoes, Cilantro and, of course, CHILI PEPPERS! Everyday we roast many different types of Chili Peppers found throughout Mexico to create the authentic flavors for our recipes. Our salsas, dressings, rice and beans are all infused with the wonderful tastes of Chili Peppers. We use Guajillo Chilies to marinate our Fire Grilled Sirloin Steak, Fire Grilled Chicken Breast and our Picadillo Beef. Our Walleye is sautéed with a blend of spices that includes Ancho Chilies. So whether it is the mild Anaheim, the medium-hot Serrano or the fiery Habanera Chili, we have the heat/spice level for you. What level of spice is in your life?

When you walk into Café Chili Peppers you will see, on display, the Fresh Produce and Chili Peppers we use. Try one of our Signature Quesadilla Bowls, Tortilla Pizzas or Eye-Popping Salads. Everything is made fresh before your eyes as you choose your ingredients. You can round out your meal with a Chocolate Dipped Churro and a refreshing Margarita. So whether you take it To-Go or are Dining In, we invite you to experience the Fresh Mexican flavors at Café Chili Peppers!
